RE: ZONING COMMISSION AND PLANNING BOARD 2019 ETHICS TRAINING

DATE: NOVEMBER 19, 2019

The annual City of Bozeman Ethics training will take place on Tuesday, November 19, 2019 from 6:00 – 7:00 pm. This year’s program is similar to the training on March 5, 2019 (2018 ethics training). The general outline is to engage in a discussion based on a number of scenarios staff will present to the group. Some scenarios may be clear and other not so much. In fact, some may not have a clear black and white answer. The purpose is to have the discussion and highlight the efforts the City takes to meet our community’s expectations and to minimize potential conflicts.

The presentation is attached for your reference.
